---

Davis County Sheriff's Office  
800 West State Street, Farmington, Utah 84025

Emergency Services Division  
Office: 451-4129

Reference: PRESS RELEASE ON OPEN BURNING

April 1, 2018

Distribution: All Local Fire Departments, All Local Police Departments, Davis County Health Department, Utah Division of Air Quality, News Media

Spring is upon us, and with it, yard clean up and the need to dispose of yard debris is on everyone's mind. Due to the impact on air quality, local fire departments, and in agreement with the Davis County Fire Board of Appeals, consisting of the City Fire Chiefs and County Fire Marshal in Davis County, there will **not** be a time period set aside for open burning in **Davis County in 2018**.

Exemptions to this are as follows: Farm and horticultural operations may burn as established under current law and air quality rules. In Davis County, a farm or horticultural operation is defined as: (1) fruit orchards of 25 or more fruit trees on a continuous two acre parcel of property, or (2) agricultural activities of 2 or more cultivated acres on single, or contiguous parcels of property. They may only burn products incident to horticulture or agricultural operations, defined as: prunings, diseased plants, stubble and irrigation ditch banks. Before burning, farmers must notify their local fire department. Such fires must be contained and monitored at all times.

Homeowners may **not** burn anything, including prunings, rubbish, debris, or garbage in their yards. Such items should be shredded for mulch or hauled to the local landfill.

Recreational fires may be permitted by local ordinances, as long as they have prior authorization from the local fire department.

Campfires are only permitted in approved campgrounds where the fire-pit has been installed by a governmental agency or approved by the Davis County Fire Warden. It is also unlawful to build, maintain, attend, or use a fire in unincorporated County Area on or below the high Lake Bonneville shoreline water mark bench (approximately 5200 ft. elevation) to State Road 89, or within ½ mile of any residential structure on or east of that bench, between Davis/Weber County line and the Davis/Salt Lake County line. Fires are also prohibited east of Bountiful Blvd., within Bountiful City limits.

If you have any questions, please contact your local fire department.

Sergeant Jason Sorensen  
Davis County Fire Marshal
