INTERLOCAL COOPERATION AGREEMENT FOR FIRE SERVICES

This Interlocal Cooperation Agreement for Fire Services (this “Agreement”) is between Davis County, a body corporate and politic and a political subdivision of the State of Utah (the “County”), and North Davis Fire District, a body corporate and politic and a political subdivision of the State of Utah (the “District”), each individually a “Party” and collectively the “Parties.”

WHEREAS, the Parties are authorized to enter into this Agreement, pursuant to Utah’s Interlocal Cooperation Act, which is codified at Title 11, Chapter 13 of the Utah Code (the “Act”), Subsections 11-7-1(2)(c) and (2)(d) of the Utah Code (2017), and Subsection 65A-8-202(4) of the Utah Code (2017);

WHEREAS, the County desires to contract with the District to receive fire services from the District as set forth in this Agreement; and

WHEREAS, the District desires to contract with the County to furnish fire services to the County as set forth in this Agreement.

Now, therefore, the Parties mutually agree as follows:

1. Purposes. The purposes of this Agreement include, but are not limited to, the following:

- 1.1. To memorialize the agreement between the District and the County relating:
 - 1.1.1. primarily to fire services for the properties identified in Attachment 1 to this Agreement, which is incorporated into this Agreement by this reference (the “Unincorporated Fire Service Area”); and
 - 1.1.2. secondarily to fire services outside of the Unincorporated Fire Service Area in situations and under circumstances such as those contemplated by Subsections 2.1.1, 2.1.6, and 2.5 of this Agreement;
- 1.2. To set forth in detail the extent of the fire services to be afforded by the District to the County under this Agreement; and
- 1.3. To set forth in detail the amount and method of payment to be made by the County to the District for the fire services under this Agreement.

2. Services.

- 2.1. *Fire Services.* The District agrees to provide the same fire services for the Unincorporated Fire Service Area as it provides to properties within the District’s boundaries. In addition to the first sentence of this subsection, but only in the event the District is not required by the first sentence of this subsection to perform such fire services, the District further agrees to satisfy the County’s fire duties governed by the following laws and agreements primarily for the Unincorporated Fire Service Area:
 - 2.1.1. Subsection 11-7-1(1)(a) of the Utah Code (2017), as amended, requiring the County to provide adequate fire protection within the County’s territorial limits;
 - 2.1.2. Subsection 11-7-1(1)(b) of the Utah Code (2017), as amended, requiring the County to cooperate with all contiguous counties, municipal corporations, private corporations, fire districts, state agencies, or federal governmental agencies to maintain adequate fire protection within their territorial limits;
 - 2.1.3. Subsection 17-72-301(1)(m) of the Utah Code (2026), as amended, requiring the County to extinguish fires occurring in the undergrowth, trees, or wooded areas on the public land within Davis County;
 - 2.1.4. Section 53-7-210 of the Utah Code (2001), as amended, requiring the County to, among other duties, investigate the cause, origin, and circumstances of each fire occurring in the County’s jurisdiction when property has been destroyed or damaged;
 - 2.1.5. Subsection 53-7-211(2) of the Utah Code (2025), as amended, requiring the County fire chief or fire marshal to cooperate in every possible way with the state fire marshal, the state fire marshal’s deputy, and the state fire marshal’s representative to further the purpose of the investigation;

- 2.1.6. Subsection 65A-8-202(1) of the Utah Code (2017), as amended, requiring the County to abate the public nuisance caused by wildfire on unincorporated, privately owned or County owned forest, range, watershed, and wildland urban interface lands within the County's boundaries;
- 2.1.7. Subsection 65A-8-202(3)(a) of the Utah Code (2017), as amended, requiring the County to reduce the risk of wildfire to unincorporated, privately owned or county owned forest, range, watershed, and wildland urban interface land within the county's boundaries, with private landowner permission, through appropriate wildfire prevention, preparedness, and mitigation actions;
- 2.1.8. Subsection 65A-8-202(3)(b) of the Utah Code (2017), as amended, requiring the County to ensure effective wildfire initial attack on unincorporated privately owned and County owned forest, range, watershed, and wildland urban interface land within the County's boundaries; and
- 2.1.9. cooperative or mutual aid agreements between the County and contiguous counties, municipal corporations, private corporates, fire districts, state agencies, or federal governmental agencies to perform fire services within their territorial limits, including, but not limited to, the current cooperative agreement between the County and the Utah Division of Forestry, Fire and State Lands ("FFSL").
- 2.2. *Clarifications and Exclusions.* Notwithstanding anything in this Agreement to the contrary, the Parties agree as follows regarding the unincorporated areas of Davis County:
 - 2.2.1. the District shall perform fire services under this Agreement, but outside of the Unincorporated Fire Service Area, in situations and under circumstances such as those contemplated by Subsections 2.1.2, 2.1.9, or 2.5 of this Agreement; and
 - 2.2.2. the District is not authorized to perform, and shall not perform, any services under this agreement:
 - 2.2.2.1. governed by Section 53-7-209 of the Utah Code (2011), as amended;
 - 2.2.2.2. relating to fire inspections of businesses;
 - 2.2.2.3. relating to building permits, including, but not limited to, fire inspections, fire plan reviews, and fire code enforcement; or
 - 2.2.2.4. relating to burn permits.
- 2.3. *Changes to the Unincorporated Fire Service Area.*
 - 2.3.1. The County and the District acknowledge and agree that during the term of this Agreement the properties identified in Attachment 1 to this Agreement may change for several possible reasons, including, but not limited to, because one or more properties is annexed to the District or an adjacent or nearby municipality or fire district.
 - 2.3.2. The County, at least annually and with the reasonable assistance of the District, shall amend the properties identified in Attachment 1 to this Agreement, but only if changes to the Unincorporated Fire Service Area have recently taken place and are not accounted for under the most current version of Attachment 1 to this Agreement.
 - 2.3.3. In conjunction with the County's actions under Subsection 2.3.2 of this Agreement, the County shall, with the reasonable assistance of the District, coordinate with the applicable dispatch center operating in Davis County ("Dispatch Center") to ensure: (1) the Unincorporated Fire Service Area is accurately identified within dispatch, mapping, and computer-aided dispatch systems; and (2) the applicable Dispatch Center dispatches the District, as the primary responding fire district, to incidents occurring within the Unincorporated Fire Service Area.
- 2.4. *Response to Dispatched Fire Incident.* The District agrees to promptly respond to a fire, and provide the fire services identified in Subsection 2.1 of this Agreement, upon being notified of such fire by the applicable Dispatch Center.
- 2.5. *Inability to Respond to Dispatched Fire Incident.* The County and the District acknowledge that there may be situations when the District is unable to respond, after being contacted by a Dispatch Center, to

a fire within the unincorporated area of Davis County because the District is already performing, or has already been requested to perform, fire services or other emergency services within the District's boundaries or possibly another municipality or county's boundaries. Notwithstanding Subsection 2.4 of this Agreement, the County and the District agree in these situations that the District will perform fire services or other emergency services within the District's boundaries or possibly another municipality or county's boundaries, and the applicable Dispatch Center will contact the next recommended fire department or fire district to respond to the fire, and provide fire services, within the unincorporated area of Davis County.

- 2.6. *Specific Wildland Training and Certification.* The District agrees that the individuals performing services under this Agreement will satisfy the minimum standards for wildland fire training, certification, and suppression equipment based upon nationally accepted standards, as determined by FFSL, including, but not limited to, NWCG S130 Firefighter Training, S190 Introduction to Wildland Fire Behavior, and RT130 Annual Fireline Safety Refresher Training. In cases of newly hired firefighters, the District agrees that those individuals will satisfy these standards within one (1) year of hire.
- 2.7. *Specific Wildland Fire Equipment Standards.* The District agrees that its fire engines, water tenders, hand tools, and water handling equipment, which may be used in response to a wildland fire, meet the National Wildfire Coordinating Group standards and, if applicable, the FFSL Fire Department Manual standards.
- 2.8. *Fire Hydrant Maintenance.* The District agrees to maintain in working condition all fire hydrants that are located within the unincorporated area of Davis County and served by the District under this Agreement.
- 2.9. *Reporting Fires to the Davis County Fire Marshal; Meeting with the Davis County Commission.* The District shall provide quarterly reports to the Davis County Fire Marshal regarding incidents occurring within the Unincorporated Fire Service Area. Upon reasonable request, District representatives may meet with the Davis County Commission, or its designee, to discuss services provided under this Agreement.

3. Compensation. The County agrees to pay the District an annual fee for the services performed under this Agreement. The initial annual fee is based on a flat rate of \$11.35 per \$10,000.00 of unincorporated taxable property value serviced under this Agreement. Each subsequent year, the annual fee will be adjusted to reflect the following two factors: (1) inflation; and (2) land annexation. First, the annual fee will be adjusted for inflation using the CPI-U West Region index to account for rising costs. Second, if any portion of the unincorporated area serviced under this Agreement is annexed or incorporated into a municipality or fire district, the annual fee will be reduced by a corresponding percentage, based on unincorporated taxable property value. To illustrate the application of this formula, assume the unincorporated area serviced under this Agreement has an annual fee of \$50,656. If, in the following year, the CPI-U West Region index reflects 3% inflation and 2% of the unincorporated taxable property value is removed due to municipal or fire district land annexation, the new annual fee would be calculated as follows: $(\$50,656 \times 103\% \times 98\%) = \$51,132$.

4. Effective and Termination Dates. This Agreement is effective as of July 1, 2026. This Agreement terminates on June 30, 2029.

5. Early Termination of Agreement.

- 5.1. The Parties may mutually terminate this Agreement at any time. This termination may be accomplished through a written termination of this Agreement signed by an authorized representative of each of the Parties. The effective date of this termination is the latest date that the applicable written termination is signed by an authorized representative of each of the Parties.
- 5.2. Either Party may terminate this Agreement for convenience. This termination may be accomplished by one Party sending a written notice of termination of this Agreement to the other Party. The Agreement will terminate 180 days after the applicable written notice of termination of this Agreement is effective under the notice provisions of this Agreement.

5.3. Either Party may terminate this Agreement after: (1) a material breach of this Agreement by the other Party; and (2) the other Party's failure to cure a material breach of this Agreement within 30 days after the applicable written notice of termination of this Agreement is effective. This termination may be accomplished by one Party sending a written notice of termination of this Agreement to the other Party. The Agreement will terminate 30 days after the applicable written notice of termination of this Agreement is effective under the notice provisions of this Agreement, but only if the breaching Party failed to cure a material breach of this Agreement within 30 days after the applicable written notice of termination of this Agreement is effective.

- 6. Indemnity.** The Parties to this Agreement are Utah governmental entities as defined in the Utah Governmental Immunity Act found in Title 63G, Chapter 7 of the Utah Code (the "Immunity Act"). Nothing in this Agreement shall be construed as either: (1) a waiver by either or both Parties of any rights, limits, protections or defenses provided by the Immunity Act; or (2) a waiver, with respect to third parties, of any governmental immunity to which a Party to this Agreement is otherwise entitled. Subject to and consistent with the Immunity Act, each Party shall be responsible for its own actions or negligence and will defend against any claims or lawsuit brought against it. There are no indemnity obligations between the Parties under this Agreement.
- 7. Recovery of Costs.** Nothing in this Agreement shall prohibit the District or the County from pursuing recovery of firefighting, suppression, investigation, cleanup, or related fire service costs from any person or entity whose negligent, reckless, unlawful, or intentional conduct causes or contributes to a fire incident, to the extent Permitted by Utah law.

- 15. Amendment.** This Agreement may only be amended by a written instrument that is signed by authorized representatives of the Parties. Any purported amendment of this Agreement that is in violation of this section is void.
- 16. Governing Law; Exclusive Jurisdiction.** This Agreement is governed by and construed in accordance with the laws of the State of Utah without giving effect to any choice or conflict of law provision that would require or permit the application of the laws of any jurisdiction other than those of the State of Utah. Each Party irrevocably and unconditionally agrees that it may only commence an action, litigation, or proceeding of any kind against any other Party, which arises from or relates in any way to this Agreement, in the Second Judicial District Court in and for the State of Utah located in Farmington City, Utah. Each Party irrevocably and unconditionally submits to the exclusive jurisdiction of such court.

1. Badge Pinning for New NDFD Firefighters or Promoted Employees - tabled
2. Discussion and Planning for the North Davis Fire District; including the Fiscal Year 2027 Draft Budget and Capital Improvements Plan

Balanced Budget, found out yesterday that the fire service across Utah is experiencing outrageous Worker's Compensation premiums. Benchmark Insurance, NDFD's current provider has withdrawn from the fire industry. WCF has provided NDFD with a quote, however it is a 300% increase. NDFD is not alone and we are requesting an additional bid from ULGT. NDFD is hopeful that rates with other providers will come in less than WCF proposed.

The FY2027 Final budget has minimal changes since the adoption of the FY2027 Tentative Budget. We are not adjusting our final budget now to account for the potential in increase to Workers Compensation premiums, we will amend the FY2027 budget when a new provider is selected. A minor change to the budget includes funding to allow for the purchase of 250 Year Anniversary Badges for employees and the board.

The Capital Projects Plan (CIP) has been updated through the year 2035; the purchase of a new ambulance is slated for FY2028, however due to high demand we must place an order now. The CIP will be amended as needed.

Vice-Chair Ratchford asked if we could pay in advance. Chief Becraft stated if a quote is proposed and signed, the price of the unit will not increase.

3. Presentation and Discussion of the North Davis Fire District Fiscal Year 2026 Budget Amendment

Adjusted revenues and expenses, decrease health insurance by \$150,000. Transfer into Capital Projects for the purchased ladder truck. Vehicle expenses in Capital Projects fund were decreased as the purchases made for the ladder truck will be placed into FY2027.

The work session concluded at approximately 6:20 p.m. Although the published notice stated that the regular meeting could begin immediately following the work session, Ms. Rogers recommended delaying the start of the regular meeting until 6:30 p.m. to ensure compliance with the published public hearing notices.

The Board expressed a desire to begin the regular meeting at 6:20 p.m., provided that the scheduled public hearings would not be impacted. Upon arrival, NDFD Attorney Andrew Blackburn reviewed the matter and advised that the agenda could be reordered without affecting the advertised public hearing times. Based on this guidance, the Board proceeded with the regular meeting at 6:20 p.m. and moved the Fire Chief's Report and Member City Updates to the beginning of the agenda, prior to the scheduled public hearings

NDFD is in the process of moving over to a new incident management system. May 2026 call volumes included a total of 388; 1 structure fire Sunset, 1 homicide in West Point, a few grass fires, in addition to normal medical calls. In FY 2026, NDFD responded to 4,154 calls; as of June 17, 2026, NDFD responded to approximately 2,077 calls in calendar year 2026. Recently, NDFD assisted the American Legions with a flag retirement ceremony at Station 42. NDFD plans to assist the American Legion with their flag retirement ceremonies in the future.

The area is seeing more of "teen meets" where hundreds to thousands of teens flock to an area and disrupt the area. NDFD is working closely with PD to unify and work closely. Davis County holds a county wide ** working on mass casualty and mass shooters. Currently working on the incident command side of what it will take. NDFD crews have been out training for the past two shifts.

NDFD has been conducting testing for both full-time and part-time hiring. Recently NDFD hired 3 additional full-time employees; 2 new into the service and 1 paramedic from WI.

Chair Wiggill expressed the need to continue to train and excite the crews about training. He then stated that entities and first responders must keep up and strive to stay up on training.

16. Member City Updates - The Member City Updates were moved earlier in the meeting. The regular session began at 6:20 pm, earlier than the noticed time of 6:30 pm. This allowed the set public hearings to be held at approximately 6:30 pm as noticed

Board Member Shepherd stated that Crush Golf has opened and the surrounding area is going to be developed. The old amphitheater in Clearfield has been torn down and will be replaced with a park.

Chief Becraft stated that he is working with Davis County to create a MOU for services to the unincorporated area of the county. Davis County is considering paying the District approximately \$50,000 for 1-year of coverage. Then after one-year of coverage, NDFD can proceed with the process to annex the unincorporated area.
